To Honorable Richard A. Jones  
United States District Court Judge

Date: February 18, 2015

Case No. 2:14-cv-01819-RAJ

Enclosed for your review: Motion for Time

The Honorable Richard A. Jones:

The Motion for Time requests time to read your Honors filing of Friday, February 13, 2015, which I have not received. Comcast will not send me a copy of your findings. The court clerk emailed a copy which I have not received. I also request time to hire an attorney.

The information I received from Comcast says that if I do not refill a motion that Comcast will give my information out on February 23, 2015 and I need additional time.

Respectfully,
